

HOLIDAY GREETINGS TO DIVISION 6 RESIDENTS

December 2010

Larry Spilak, Division 6 Councillor

For the past three years, I have had the good fortune to represent you as Division 6 Councillor and Deputy Reeve of the Municipal District of Foothills. It has been an excellent learning experience and I am truly grateful to everyone who has provided me with encouragement, guidance, and support.

I am honoured to again serve as your representative on Council, having been acclaimed into my position and elected Reeve by my peers. During my term in office, we have accomplished several significant milestones and completed many key projects important to you, my constituents.

As I look forward to the challenges and opportunities facing us in Division 6, I am encouraged by your support and active participation in many of the decisions that have been made. I encourage you to continue to provide me with your insights, comments, suggestions, and feedback regarding the issues and concerns that may arise.

Moving Forward
